

### **Grades K - 5**

**All Starz** follows three students through two days at school. Kim rules the playground and has set up a “Club”, putting herself in charge of picking the members. Jackie wants to fit in with the popular kids and quickly falls under Kim’s influence. Michael just wants the girls to leave him alone. Soon all three characters are caught up in social conflict which causes each of them to make mistakes. Through the help of the principal, they all realize that telling people what to do, name calling and exclusion are not the way to make friends. **All Starz** introduces students to the use of electronic communication and the growing prevalence of cyber-bullying.
